

# ADVANCE NOTICE ROADWORKS

*With construction for Stage 1 of our masterplan now well underway, we ask that families take some time to familiarise themselves with numerous changes to school access outlined below, taking place from Term 2.*

## Drop-off and Pick-up Zones

From the beginning of Term 2, drop-off and pick-up zones from Corralyn Terrace (rear entrance of the school) will be affected.

Alternative drop-off and pick-up options have been outlined, and a supporting map has been provided to indicate which zones are available and not available. Temporary drop-off and pick-up zones include:

- Markham Avenue
- Hurtle Avenue
- Ragless Avenue
- Leron Avenue

Please ensure that whichever alternative drop-off and pick-up point you use during this time, your daughter uses the foot-paths provided that are safe and away from traffic.

## Regency Road and Corralyn Terrace Car Parks

Regency Road car park is reserved for staff and visitors coming into the College **ONLY**.

## Other important information

- Public bus services from Corralyn Terrace will possibly be change. We will provide updates when known via SEQTA
- To make any temporary off-site parking or drop-off and pickup times as seamless as possible, we encourage you to allow for additional time in the morning and afternoon
- Please share this information with grandparents, siblings or other caregivers who may share school drop-off and pick-up during Term 2

No Parking/No Access

Staff Park Only

Temporary Drop-off/Pick-up Zones

Pedestrian Entry/Exit Only
