COLLEGE

100%

SACE completion

At OLSH College, every girl is supported to achieve her best. We are proud to continue our record of 100% SACE completion, a testament to the dedication, perseverance, and learning values of the Class of 2025.

We also celebrate students from Years 11 and 12 who completed a Certificate III in a range of Vocational Education and Training Courses.

At OLSH College, success is not solely defined by numbers. It's about the growth each student experiences, her courage and determination to overcome challenges and the kindness she shares with others.

From the very start of Year 7, girls build a foundation of resilience, curiosity, and a lifelong love of learning that not only prepares them for Year 12 but empowers them to rise boldly to their future paths.
